GRANT REQUEST

Demographics:

Clearfield is a city in northern Davis County. The population was 27,463 in 2009, and 25,974 at the 2000 census. Clearfield has a total area of 7.8 miles, all land. Clearfield is bordered by Hill Air Force Base and the Wasatch Mountains on the east, and by Syracuse, West Point, and the Great Salt Lake on the west. The daytime population of the city increases to approximately 85,000 with business traffic.

The Freeport Center - a major western hub for manufacturing, warehousing and distribution is home to more than 70 national and local companies that have a workforce of over 7,000 employees. Businesses currently at the Freeport Center include ATK Thiokol, Ashland Chemical, Wilson Sporting Goods and Lifetime Products. Clearfield is a major hub for Union Pacific Railroad into the Freeport Center with multiple rail lines throughout the area. There is also a UTA Front Runner rail station stop in the city along with Interstate 15 that intersects the eastern portion.

Clearfield is home to the Clearfield Job Corps Center, the third largest Job Corps center in the nation, which houses 1,320 students. The city also has the Aquatic Center which brings many visitors from other cities, and the Legend Hills Office complex that houses many offices and restaurants.

Justification:

Clearfield Dispatch provides police dispatch services to Clearfield City, fire and medical dispatch to North Davis Fire District which covers Clearfield City, West Point City and half of Hill Air Force Base for ambulance service. The Center is staffed with 9 full-time dispatchers and 3 part-time dispatchers, and has three 911 call answering console positions.

Currently the center is 911 Phase II equipped with VESTA Pallas from PlantCML that was installed in November of 2004 with Orion MapStar that was installed in June of 2007. In the past several years, the city's E911 fund has been used to fund major equipment upgrades, and approximately 25% of operating costs for the center with 75% coming from the City's general fund.

The average number of calls received each day (June 2009 to May 2010):

911 Calls - average 35/day	Total 911 Calls - 12,565
Other Incoming calls – average 112/day	Total Other Incoming calls - 40,564

Totals calls for service for the past 12 months (June 2009 to May 2010):

Police Calls – 15457
Fire/EMS Calls – 1950
